## Essential Dermatology—Series 1

In association with the Primary Care for Dermatology Society

Book online at:

<http://www.rcgp.org.uk/learning/london-and-south-england/thames-valley-faculty/essential-dermatology.aspx>

### What the day includes

The programme covers the essential information to enable a GP and dermatology nurse practitioners to confidently assess the vast majority of conditions encountered in day to day general practice.

Up to 25% of all GP consultations relate to the skin.

- Dermatology is an area of medicine that is facing major changes from secondary to primary care
- The majority of GPs have little or no training in dermatology
- Hospital referral rates for dermatology are consistently high

### The course is suitable for

GPs and Dermatology Nurse Practitioners

### Topics include

Eczema, psoriasis, lesion recognition
