2018 Course

This ever popular course is again at the magnificent Latimer Estate, near Chesham. The Manor House has recently undergone a £7m refurbishment, and there are ample leisure facilities including a gym, an indoor pool and beautiful grounds.

What the course includes:

There will be plenaries from experts, workshop sessions and the usual group sessions, together with plenty of time for discussions and networking.

The course is suitable for:

GPs, Practice Managers and/ or any other team members. The format of the course is designed for members of practices to attend and work together in small groups.

Call it your practice "Away Day" – it offers the perfect opportunity for Practice Teams to work together, as well as networking with and learning from other colleagues in the Thames Valley. Led by skilled and experienced facilitators, our

Comments

"A thoroughly excellent course" "Came last two years, wouldn't miss it" "Good reflection time and brain storming, performing and challenging ideas in the group"

Why choose RCGP?

The RCGP is the professional membership body for General Practitioners in the UK and overseas. We are committed to improving patient care, clinical standards and GP training. workshop sessions may not provide all the answers, but they will assist practices in coming up with their own solutions.

We encourage our colleagues to attend in Practice teams, so we don't offer "one day" tickets or single places – you should aim to bring at least one other person from your practice.

Residential is recommended to get the maximum benefit from the 2 days.
