# IVY COURT SURGERY

## A unique combination of tradition and innovation

Ivy Court Surgery has provided GP services to the market town of Tenterden from its current site since 1959 for a population of around 14,500 patients in the heart of rural Kent.

A record of high achievement in QOF and standards of clinical excellence, including an "Outstanding" rating in our last CQC inspection, has been built out of that long history of traditional high quality patient care

However in February 2021 we opened our doors on our brand new, state of the art building offering the most refreshingly modern and exciting work environment available to GPs anywhere in Kent.

The fresh outlook of our building is matched by a forward looking and innovative practice, looking to provide the best possible primary care to our patients, and stimulating interesting career development to our GPs.

# SALARIED GP

## 4 to 9 Flexible Sessions

We know that different GPs have different work-life balances to consider.

We also know that different GPs can bring unique personal attributes or professional skills that could enhance our team whether part time or full time.

We appreciate the creative energy of a newly qualified GP, but also recognise the value of a GP of many years experience

Therefore we'd like to build the specifics of your job description with you in terms of sessions, hours and work based you as an individual.

**We would offer you:**

**Excellent competitive remuneration**

**BMA standard Contract Terms**

**GMC fees paid**

**Indemnity Cover**

**Opportunity for growth, and personal and professional development**

## Take Your GP career where you want to go...

Our 4 partner practice has 2 GP trainers and 2 clinical supervisors, so has a strong ethos of supporting training, and that includes supporting the career development of our salaried GPs. If you have an interest in minor surgery, for example, or any other area of practice you wish to develop, we would be keen to work with you to support it and integrate it into our practice. Again, our new spacious building, with purpose-built minor Ops suite, allows us opportunities to support you in this.

# **THE NEXT STEP**

**We'd love to hear from you...**

**Contact us to arrange to visit the surgery,  
have an informal chat, or arrange  
interview:**

**Lyndsey Webber, Practice Manager**

**01580 763666**

**Submit CVs to:**

**lyndseywebber@nhs.net**

**Closing date for applications: 31st May 2021**

**(Post Start date negotiable according to notice commitments,  
completing GPST3, etc)**
