## **GP Partner or Salaried GP with view to partnership**

### **Isle Of Man**

The Isle of Man is a self-governing British Crown dependency situated in the Irish Sea between Britain and Ireland. The island is about 32 miles long by 14 miles wide and is blessed with an extensive rugged coastline, stunning natural landscapes and unspoiled beaches. For outdoor enthusiasts, the Isle of Man is your playground whether on land or in the water.

The Island does not have Capital Gains Tax or Inheritance Tax and enjoys a maximum Income Tax rate of 20% with generous rates of personal allowance.

Historic Castletown boasts a range of independent shops, bars, restaurants, exceptional schools, a castle, a beach and has easy access to the outstanding and beautiful countryside.

Castletown Medical Centre LLC is a popular, modern, supportive and fun practice that delivers high quality clinical care to our 4,100 patients. We are a well-established practice with 1 full time and 2 part time GP partners. We are fair and equitable to each other in terms of workload. We have daily catch ups which we use as an opportunity to discuss clinical queries, concerns or have a general chat. Our team consists of 3 excellent practice nurses, a HCA and a vibrant, hardworking administration team.

We are looking for an enthusiastic new team member for 4-8 clinical sessions as a GP Partner or a Salaried GP with a view to partnership. This position is ideal for a dedicated, forward thinking individual interested in offering a wide range of high standard care to our patients. A relocation package may be available.
