GP Vacancy Part or Full Time Salaried or Partnership

An opportunity to join our friendly, professional and well established multidisciplinary team has become available. In the heart of the beautiful historic Roman village of Caerleon. Over 2 sites, Isca Medical Centre provides GMS services to 9500 patients in the local area.

Suitable for a Newly Qualified or Experienced GP!

Our practice has an excellent reputation with patients, staff and consultant colleagues in the local area

- Close to M4 links - 20 minutes from Cardiff, 30 minutes from Bristol
- Competitive salary and annual leave with excellent Maternity/Paternity package
- Number of sessions negotiable, flexible working and job share also considered
- Equitable work load across the clinical team – partners are working partners taking equal share of all core GP duties
- Early finish on non-duty days, low volume house visits and manageable on calls
- Fully established reception team trained in care navigation systems
- Organised efficient administration team making full use of technologies – we are high QAIF achievers and this years winner of “Best General Practice Beat Flu award!”
- Very pleasant work setting - Renovated and modernised listed building in Caerleon and purpose built branch site

Come and meet us!
