

NOW HIRING

Adelaide (SA) Special Interest GPs, Diabetes and Pain Management

 **Adelaide, South Australia**
 **Private Healthcare**
 **Full Time**
 **\$AU 450.000 + pa**

***Available now:** Multiple opportunities for General Practitioners who are passionate about helping patients with diabetes and pain management.*

Our client is seeking Special Interest General Practitioners who want to make a difference for patients with diabetes and pain management needs, while enjoying an incredible lifestyle in South Australia.

Uncapped earning potential | Full clinic, 30K patients | Mixed Billing | Beach, Lifestyle Location | DPA Location

Our client has spent years developing opportunities that take GPs to new levels in business and life. Sure, the money is amazing, but it is so much more than that.

You're respected and championed on your journey of growth as a practitioner and person.

Are you a GP with a special passion?

We're now actively seeking to engage GPs with special interests in diabetes and pain management.

An increasing number of patients in our client's community want help to mitigate the effects of Fibromyalgia, chronic and acute inflammatory diseases, musculoskeletal, neurological and migraine conditions, which take a significant toll on both physical and mental wellbeing.

HRA is looking for special interest GPs to help pioneer a vibrant practice, where you'll collaborate with in-house physiotherapists and pharmacists in our modern facilities to provide cutting edge therapies to patients dealing with the impact of these conditions.

A rare opportunity to grow and thrive

- Medicare receipts \$450,000+ per year
- Busy clinics with 30,000 active patients
- DPA location, mixed billing
- Modern practice with state of the art training facilities
- Enjoy the beach lifestyle just 30 minutes from Adelaide CBD
- Family friendly suburb with excellent schools
- Multiple, flexible opportunities are available now
- So much more!

More about the client

Over more than 40 years, our client has helped doctors reach their business and lifestyle goals, while earning a reputation for delivering life changing care for our South Australian community.

With more than 30,000 patients across two clinics in the fast growing, metropolitan suburb of Seaford, doctors are given the opportunity to make a genuine impact supporting people with a diverse range of health needs. Our client provides purpose-built, state of the art facilities with fully equipped consulting rooms, extended hours and onsite physiotherapy, dispensing pharmacy and pathology collection centre.
